Trans III, 2025

Tusche, Öl auf Nylon | ink, oil on nylon

250 x 200 cm | 98 3/8 x 78 3/4 in

An abstract artwork featuring a large, diagonal composition. The upper right portion is a warm, textured orange-brown. The lower left portion is a deep, textured purple. A diagonal line separates these two main color fields. In the center, there are darker, more complex textures in shades of brown and blue. The overall effect is one of layered, organic forms. The texture of the medium, nylon, is visible throughout.
