

**IN NEUEN RÄUMEN!**

Exhibition: 06.10.2017 – 22.12.2017

Opening reception: Friday, October 06, 2017, 5-9 pm

Galerie Christian Lethert will be opening its new premises on Antwerpener Straße 52 with the group exhibition **IN NEUEN RÄUMEN! (NEW SPACE!)** on October 6, 2017.

Thanks to the trusting collaboration with emerging and already renowned artists, the gallery has grown into an internationally successful institution since it was founded over 11 years ago, in August 2006. The bright new rooms on two floors of the listed "Gründerzeithaus" offer even more spacious exhibition possibilities. In close proximity to the previous location Galerie Christian Lethert will continue its abstract-minimalist program from October on.

We look forward to seeing you again **IN NEUEN RÄUMEN!** (in our **NEW SPACE!**)

From November 17th till 19th 2017 we will exhibit on the first edition of Art Düsseldorf and from December 6th till 10th 2017 again at Untitled Miami Beach.

In 2018 we will present solo exhibitions by Rana Begum, Fergus Feehily, Imi Knoebel and Natascha Schmitt.
