

Book Cellar

28.04.2020 – 11.07.2020

In addition to the current exhibition *Already Made* with works by the Düsseldorf sculptor Kai Richter, we are opening our *Book Cellar* for the first time. Galerie Christian Lethert supports numerous publications and publishes catalogues in close cooperation with artists in order to enable a deeper examination of works and exhibitions. We are pleased to offer you selected literature on our artists as well as special editions in the basement of the gallery.
